

FEEDING THE EQUINE ATHLETE FOR UNSURPASSED RESULTS

Equi-feeds Race Horse Feeds presents a high quality, nutrient dense and palatable mix containing an elevated energy level.

It is suitable for horses in intensive training, hard work or undertaking strenuous competition activities.

The raised levels of quality protein, vitamins and minerals, as well as the balanced sources of energy and micro-nutrients help improve performance, stamina and muscle repair.

Horses fed on Equi-Feeds have won all the major races and hold the race records for both the July Handicap and the J&B Met.

Work-to-chart:

STRENUOUS WORK	14%	16%
Racing: Mature	●	
Racing: 2 Year Olds		●
